

Charleston Coliseum & Convention Center

200 Civic Center Drive
Charleston, WV 25301
(304) 345-1500
(304) 345-3492 – Fax

The Charleston Coliseum & Convention Center has recently completed a major renovation that has altered the passenger drop off and parking for the facility. Please make a note of the changes mentioned below.

A portion of Civic Center Drive has been closed prohibiting vehicles access to Clendenin Street from Quarrier Street in front of the building. Vehicles can, however, pull up to the front of the building from Quarrier Street to drop off passengers in the loop. Passengers may also be dropped off on Clendenin Street. Clendenin Street south-bound lane has 15 minute parking spaces available for ticket purchases at the Charleston Coliseum & Convention Center Ticket Office.

Driving Directions:

Traffic arriving in Charleston using Interstate 64 West and Interstates 77 and 79 South should exit at Civic Center/Washington Street (Exit 58C). They should proceed down Pennsylvania Avenue and at the second light turn left onto Lee Street. Once on Lee Street they will travel across the Elk River past the Civic Center Coliseum on the right. At the corner of Lee Street and Clendenin Street, turn right and go one block to Quarrier Street. Then turn right again onto Quarrier Street. From Quarrier Street, turn right onto Civic Center Drive and from there you can drop passengers off in the loop or access the Quarrier Street Parking Garage.

East bound traffic on Interstate 64 should exit on Virginia Street/Civic Center (Exit 58B). Upon exiting stay in the right lane and proceed over the bridge to Clendenin Street. Turn left on Clendenin Street for one block. At the corner of Clendenin and Quarrier, you will need to make a left and then get into the right lane of Quarrier Street. From Quarrier Street, turn right onto Civic Center Drive and from there you can drop passengers off in the loop or access the Quarrier Street Parking Garage.

Please do not park beside the Beni Kedem Temple without making prior arrangements with the Beni Kedem Temple directly or paying their parking attendant.

EXHIBITORS: SETUP 4:00 PM – 7:00 PM – You can drop off your display materials by parking in the Lee Street Back Parking Lot. There is a North Hall Loading Ramp. A staff member will be there to assist. However, you cannot leave your car parked there for a long period of time – it must be moved to the parking garage. The WVAFP has parking passes you may pick up.
